

SPONSORSHIP OPPORTUNITIES

Oregon State University will be hosting the **26th Biennial Conference on Chemical Education (BCCE 2020)**. Sponsored by the American Chemical Society's Division on Chemical Education, this international event is the largest gathering of chemistry educators in the world and will bring together an estimated 1,500 science professionals committed to inspiring tomorrow's leaders in the sciences. At BCCE 2020, college and university faculty, graduate and undergraduate students, along with high school teachers, will connect with colleagues through plenary sessions, symposia, workshops, poster sessions and a vendor exhibition featuring the latest chemical education materials and instrumentation for the classroom. Both new and veteran educators will find materials, techniques and course content to energize their students and promote active learning.

We would be honored to welcome you as a partner in this important event.

Platinum Presenting Sponsor	\$20,000
